. Pam is on our advisory and steering committees for the NC DSP WORKFORCE. We have met regularly every Thursday at noon for over 4 years.

Pam's valuable and consistent participation is one of the main reasons our group has been recognized as making a difference for DSPs.

Pam has tirelessly educated us on several instrumental topics not only but including funding sources, working with legislators and key providers and drafting not only letters but in some cases assisting our group with a myriad of talking points.

Pam continues to research and advise on related topics which affect all of our special needs families in NC. The topics are wide and varied and include such issues like Provider sustainability, Data standardization and collection, Medically Needy Income Limits improvements in NC, Spend down issues, and of course all topics related to Direct Support Professionals.

She prepares research and white papers which become the basis for dialogue among many groups including NCCDD. Honestly if I could describe our group as a 3 legged stool it would be parents, provider/LME staff and Pat/Pam duo.

There is no one that I can think of that is more deserving of this Award than Pam. We are so fortunate to have her on our DSP team. Any questions feel free to call me at +19192809944.
