To Whom It May Concern:

Good afternoon. I am Representative Allen Buansi (District 56). With great pleasure, I submit this written reference in regards to Ms. Lisa Kaylie, as you consider candidates for recognition. I admire Ms. Kaylie greatly. She has a decorated record of service and leadership, especially in the area of intellectual disabilities. Ms. Kaylie provides inclusive, well-paying employment for many local adults with I/DD, and her political advocacy is deeply connected and powerful. She translates the work she does into effective advocacy. I am proud to know her and to vouch for her dedication and impact in supporting adults with I/DD.

Best,

Allen
